### ABOUT THE EVENT

2018 will mark the second annual Claire's Army Gala, the signature fundraiser for Claire's Army. This black tie optional affair will include cocktails, dinner, a silent and live auction, a live band and dancing. We hope you will join us for an evening that promises to ring true to Claire's legacy. There will be fun, joy, celebration and, most importantly, a deep connection to the families served by Claire's Army that will move you, to say the least.

### WHAT IS CLAIRE'S ARMY?

Claire's Army strives to act as God's hands and feet by providing support for families fighting childhood cancer. Through an established network of resources we will support the families' daily responsibilities, allowing them to put their time and focus on their child.

### HOW HAS CLAIRE'S ARMY HELPED?

- Supported over 100 Charlotte patients and families facing a pediatric oncology diagnosis through multiple programs and resources
- Delivered in excess of 3,000 meals to pediatric oncology families at Novant Health Hemby Children's Hospital
- Distributed more than 125 Claire Packages to newly diagnosed patients
- Assisted with over \$70,000 worth of emergent needs such as mortgage, rent, utility payments, gas, groceries, and travel assistance
- The 2017 Claire's Army Gala allowed us to launch the Claire Package Program at Levine Children's Hospital, ensuring every child diagnosed with pediatric cancer in Charlotte will be touched by our services.

### MAKING A DIFFERENCE

*"My daughter had surgery at Levine this week to have a tumor removed from her adrenal gland, so we received one of Claire's Army bags. We used almost every item in the bag! I cannot tell you what it meant to receive that our first night there. It was not necessarily because of what was in the bag but it was the connection, understanding and feeling of community that left me in awe. I don't want to forget what I have seen and experienced through this life changing situation. This bag and organization is helping me figure out options of ways to give back. As life hopefully settles down (waiting for results), I would like to figure out a way to help."*
